SUBSCRIPTIONS-IN ADVANCE.

DELIVERED BY CARRIER. Payable to Collector at end of Month.

Mr. Bryan-"Hello, Central! I want to talk to the American workingman." Central—"He's at work and very busy, Mr. Bryan; ring off, please."

A Presidential candidate who runs on the platforms of three different political parties must betray two of them if elected. To which of the three parties-Democratic, Populist or Free Silver-will Mr. Bryan give his allegiance if elected, and which two will he betray?

UNDER the amended Election Law non-residents and others who vote unlawfully at the coming election may break into a whole lot of trouble. Before they can vote they must subscribe to a regular affidavit provided for that purpose, which affidavit can be referred to the Grand Jury.

HON. B. F. WARNOCK, Democratic Police Judge of Greenup, has removed all doubt as to his position by donning a McKinley and Roosevelt badge and putting up the Republican candidates' pictures at his windows. He says it was BRYAN'S indorsement of BECKHAM and fraudulent elections in Kentucky that did the work for him. He was a United States Marshal under CLEVE-LAND's first Administration and a free silver man in 1896.

SHORTAGE IN PARIS POSTOFFICE. There is more trouble in the Paris Postoffice. This time the shortage is in the money order department and is stated to amount to \$383.12, and SHER-MAN STIVERS, who presides over the money order department, has been called on by Postmaster Bosley to make it good. It looks as if the Government ought to try and get a Postmaster at Paris who could keep things straight .- Flemingsburg Times-Duley.

Oh, well; with the oft-repeated example of Flemingsburg before them, it's a wonder that the Paris officials haven't gotten away with the keyholes of the lock-boxes.
